## About This Game

A group of teenagers from Raiven High School bullied a fellow steadily until one day the victim wasn't able to stand it anymore. The violent situation and the continuous harassment ended up in her decision of taking away her life.

Since then, the students have experienced strange events, some of them leading to their disappearance or even death. In "You Deserve", you will play as Amy Cooper, a bully, who will try to escape from this unknown world she is into alive.

In order to do this, she will have to figure out the reason why she is there among many other things.

Are you be ready to decipher the mystery that You Deserve offers?

In order to enjoy "You Deserve's" experience at its best you must read the following steps:

- It is highly important to find the notes and documents throughout the story to understand You Deserve's whole background.
- To enjoy the most You Deserve you must play at it's best quality, with the lights off headphones or speakers at the maximum level (100%).
- Search, find and use the objects hidden all over the game in order to progress through the story.
- Find your way through complicated paths and holes by crouching, and in order to escape from a terrific situation, we strongly recommend you to run as fast as you can and do never look back.
- Solve short puzzles and outlive challenges which will put your life in risk more than once.

**Storage:** 3 GB available space

**Sound Card:** All

**Additional Notes:** We choose this requirements for you to play the game at a goodquality with a common frame rate. YOU CAN ALSO PLAY IT WITH WORSE REQUIREMENTS.

English

---

Good indie horror. It's simple both in graphics and gameplay, but the atmosphere remains inside. I remembered the music, locations and the voice of the main character after a long time. In addition, the plot is very good. It's the themes of humiliation and aftermath. There are many signs in the game that calling to think about what you are doing yourself. Good concept. But it's not for all.
